Winter Parking Regulations End Today

Winter parking regulations for the City of Milwaukee expire today, Monday, March 2, 2014. Residents are reminded that the Department of Public Works can still declare a snow emergency or the “4-inch rule” after March 1.

Residents who live in an area of Milwaukee known as the “5-Day Parking Exception Area” are reminded that DPW may still call for an overnight operation after March 1. When this occurs, Area residents must move their vehicles to the correct side of the street so plows can clear the roadway from curb to curb.

DPW encourages vehicle owners to sign up to receive a **Snow Mobile Winter Text Alert** message at www.city.milwaukee.gov/mpw. Subscribers will receive a text message on their cell phone(s) alerting them that a DPW operation has been called.

Prefer an email message? Sign up through E-Notify at www.city.milwaukee.gov/mpw to receive an email with the same DPW information when a snow operation is declared.

Not sure about the parking rules in the City of Milwaukee? Go to the Department of Public Works’ website at http://mpw.milwaukee.gov/services/parking_regs to check for all parking regulations for a specific address or street.

Residents can also call (414) 286-CITY (2489) for parking information.
